

MOVING TIPS CHECKLIST

- Start by packing the things you use most infrequently.
- Pare down items that have accumulated over time by group them into 3 categories:
 - Keep
 - Donate
 - Throw Away
- Create an inventory sheet of valuables and a list of which boxes they were packed in.
- Label your boxes according to the rooms where they'll be moved - (example: bedroom #2, 1st floor bath, etc.) *Consider using different colored stickers/tape for each room.*
- Provide your movers with copies of the floor plan of your new home, so they can move more efficiently without having to stop and ask you where things go.
- Try to keep boxes under 50lbs. whenever possible, put heavier items in smaller boxes to reduce bulkiness, and place lighter items in larger boxes.
- Dispose of items that can't be moved, like flammable liquids, cleaning fluids, etc.
 - Prepare your lawnmower by emptying the fuel.
 - Recycle your propane grill tanks.
- Snap a photo of the back of electronic devices so you know which wires to attach when setting them up in your new home.
- Pack an overnight bag with moving day essentials:
 - toiletries
 - clothes
 - medications
 - charger cords
